## **HONG KONG WOMEN'S ICE HOCKEY LEAGUE**

HKCIHA is pleased to announce the **Information / Application** for  
2025/2026 Hong Kong Women's Ice Hockey League

### **2025-2026 HKWIHL INTRO**

Get ready for another thrilling season of female ice hockey! Hong Kong Women's Ice Hockey League (HKWIHL) is proud to announce its **13<sup>th</sup> official season running from September 2025 to April 2026.**

This league caters to all Female players in Hong Kong, China and sets the ground work for consistent player development. HKWIHL continues being a training ground and a part of a feeder system for the Hong Kong China Women's Ice Hockey Team (HKCWIHT).

#### ***A SEASON OF EXCITING DEVELOPMENTS***

The Women's Ice Hockey Organization better known as **WIHO** has been managing and overseeing HKWIHL since its inauguration in 2013. This season marks a significant step forward as WIHO deepens its collaboration with Hong Kong, China Ice Hockey Association (**HKCIHA**), under the sanction of the International Ice Hockey Federation (**IIHF**). While WIHO will continue its vital role as co-organizer, this strengthened collaboration with HKCIHA ensures HKWIHL's continued growth and stability.

#### ***ENHANCE FUNDING & SPECIAL FEE REDUCTION***

For over a decade, WIHO/HKAHC has heavily subsidized HKWIHL. We are now pleased to announce that for the **2025-2026 season**, we have secured additional government funding. This allows us to significantly reduce participation fees for all players.

**Please note:** This level of financial support from the government is special for this season. While we will continue to seek government funding, fees for 2026/2027 season may revert to levels closer to past seasons. We encourage everyone to take advantage of this unique opportunity.

#### ***PATHWAY TO HONG KONG, CHINA WOMEN'S ICE HOCKEY TEAM***

HKWIHL is more than a league – it is the foundation of women's ice hockey in Hong Kong, China. While we work hard to develop female hockey in Hong Kong, the number of female players remain low so we must work together to support each other to have HKCWIHT play on the international stage. Participation for players living here locally is one of the criteria for selection to the **Hong Kong, China Women's Ice Hockey Team (HKCWIHT)**.

This is an incredibly exciting time for our sport. Hong Kong, China will host the upcoming 2026 IIHF Ice Hockey Women's World Championship Division II – Group B from 30 March 2026 to 5 April 2026. HKCWIHT will compete on home ice, and HKWIHL is where future stars begin their journey. Let's **ADD OIL, TEAM HONG KONG CHINA!**

#### ***LEAGUE FORMAT & REGISTRATION***

Please see details of 2025/2026 HKWIHL Information/Application below.

To ensure balanced and competitive teams, all players will be placed through a **draft system**.

Fees are due upon registration and are non-refundable unless player is not drafted onto a team.

This 2025/2026 season will conclude with two "mini" blitz tournaments featuring prizes and gifts.

WE LOOK FORWARD TO SEEING YOU ON THE ICE FOR AN AMAZING HOCKEY SEASON!**
